Dear Mr Campbell,

NOTICE OF REJECTION
Of representation against Charge Notice
Transport (Scotland) Act 2001

Charge Notice : GP67902150 – Dated - 05/08/2018
Vehicle Registration Mark : SJ63XWV – Observed in - Victoria Bridge

I refer to your representation in terms of The Bus Lane Contraventions (Charges, Adjudication and Enforcement) (Scotland) Regulations 2011, the grounds of which are attached.

This matter has been investigated and I am satisfied that the Charge Notice was issued correctly. I therefore find no grounds to cancel the Notice on this occasion.

Your vehicle was observed travelling in the above bus lane on the date shown. The bus lane at this location is operational 24 hours a day, 7 days a week. Please note there is no requirement for signs to show times when the Bus Lane is operational 24 hours a day. Only where Bus Lanes do not operate at all times should the days and times be displayed.

I would advise that the use of bus lanes within Glasgow is determined by Articles of the relevant Traffic Regulation Order. Vehicles which are exempt from the Traffic Order and are permitted to utilise this bus lane are buses, taxis and cycles.

Whilst I note your comments, I would advise that the events days were well publicised and warnings given to leave extra time for travel. Whilst there were street closures and diversions in the city during this time I have no record of diversion into this bus lane or suspension of the bus lane at this time. I am not able to investigate what a member of Police Scotland advised you to do and exactly where, you would need to submit evidence of this.

I can confirm that there is clear signage and markings on the carriageway, on approach to the bus lane, to inform motorists of the oncoming bus lane. I would stress it is the driver's responsibility to adhere to the signage and markings in place at this location.

Based on the foregoing, I must advise that your grounds for representation have not been established and this letter is issued as a formal Notice of Rejection.

You have until the end of the 28 day period beginning with the date on which this Notice was served to either pay the Charge Notice or appeal to the independent adjudicator at the Parking & Bus Lanes Tribunal for Scotland.

On this occasion, I have provided a further opportunity to settle the Charge Notice at the discounted rate of £30.00, payment of the discounted sum must be paid by 10/10/2018, out with this timescale payment is due at the full rate of £60.00.

Failure to make payment of the appropriate sum or appeal further may result in the issue of a Charge Certificate which increases the amount owed by 50% of the original charge. If this increased charge is not paid within a further 14 days beginning with the date on which the Charge Certificate is served, the Charge Certificate may be passed to the Council's debt recovery agent for enforcement/collection.

The date on which this notice is served is deemed to be on the third working day after the day on which it was posted.

Yours sincerely

Lawrence Hay

(c)	I have received this notice as I am the registered keeper of the vehicle, but I was not the registered keeper on the date of the contravention

(g) i	I have received this notice on the basis that I am a vehicle trader, however I am not a vehicle trader and I was not the keeper of the vehicle on the date of the contravention.
(g) ii	I have received this notice as I am a vehicle trader, however I should not have received this notice because either a) I am not a vehicle trader, or b) I was not the vehicle trader keeping the vehicle on the date of the contravention.
